

Self-Declaration /Undertaking by the Hostel Residents Returning to MNIT Jaipur in the post-lockdown period of COVID-19

Date:...../...../2022

Sir/Madam,

I (.....ID. No.....), am returning/have returned from.....(Mobile No.:)
on/.../2022.

I am aware of the guidelines and protocols issued by the government/Institute pertaining to the resumption of academic and research activities in the higher educational Institutes in the postlockdown period of COVID-19. I state that it is entirely voluntary for me to reside in the hostel on my return to the Institute in the post-lockdown period of COVID-19 and that I would be doing so, in consultation with my parents/guardians, of my own free will. I have understood that there would be chances of getting infected by COVID-19 while staying in the hostel of the Institute in the current Pandemic situation. Further, I declare the followings.

- I am not having fever, cough and breathing problem since last 2 weeks and also and as far as I know, I have not come into close contact with anyone with such symptoms in past 2 weeks.
- Once I return to the Institute and reside in the hostel, I will follow all guidelines and instructions as specified in the Standard Operating Procedures (SOP) to combat the current COVID-19 pandemic condition.
- I will wear mask, maintain physical social distancing and wash/sanitize my hands regularly while staying in the hostel premises and mess.
- I will not involve in any group activities or social gathering in the hostel premises.
- I will self-monitor my health every day after I return to the Institute and stay in hostel. In case I develop fever, cough, flu-like symptoms and/or breathing problem then I will inform the same to the concerned hostel warden and also consult about it with the Medical Officer and follow his/her medical advice.
- I also understand that MNIT Jaipur has a dispensary with the limited doctors and staff members and it is equipped with limited facilities. However, in the case of Covid-19 infection, I may require isolation (in or out of campus), treatment and/or hospitalization, for which I will follow Government and/or Institute laid protocols. In no way MNIT Jaipur will be held responsible, if I develop Covid-19 infection during my stay in the Institute.
- I am also aware that I would be liable to any suitable action (including: monetary fine, disciplinary action, expulsion from hostel, sending back to home, etc.) if I was found violating any of guidelines/instructions given by the Institute in relation to COVID-19 conditions.
