

Event Report: CodeMane at Sphinx 24

Organized by: Computer Science Club

Date: November 10, 2024

Time: 11:00 AM

Venue: VLTC L-006

Introduction

CodeMane was a coding contest organized by the CS Club as part of the Sphinx 24 event. The contest aimed to challenge participants' coding skills through a series of problems, fostering a competitive yet engaging environment. The event attracted numerous participants from various branches, highlighting their technical prowess and problem-solving abilities.

The event began at 11:30 AM and ended at 01:30 PM. Rules and regulations were announced beforehand to ensure uniformity and integrity. The winners were announced as soon as the coding contest got over. The prize money will be transferred to the winners' bank account later.

Event Structure

1. Problem Statements:

- The contest was conducted on HackerRank featured three questions of varying difficulty levels, with various test cases including hidden ones:
 - **Easy**
 - **Medium**
 - **Hard**

2. Duration:

- The contest spanned **2 hours**, providing a limited timeframe for participants to solve the problems.

3. Prize Pool:

- The prize pool for the event was **₹10,000**, adding to the excitement and competitive spirit.

4. Rules:

- The event had strict rules, and even minor violations resulted in disqualification, ensuring fair play and integrity.

Results and Recognition

The event concluded with the announcement of winners:

- **First Place:** Vishal Jain
- **Second Place:** Siddhi Jain
- **Third Place:** Abhinav Ganwar

These winners demonstrated exceptional coding skills and were recognized for their outstanding performance.

Highlights

- **Team Diversity:** Participants hailed from various colleges across India, bringing a wide range of perspectives and ideas.
- **Mentorship Opportunities:** Expert guidance was provided during the event, enriching the learning experience.
- **Networking:** The event facilitated valuable connections among students, mentors, and industry leaders.

Feedback and Experience

Participants received positive feedback for their engagement and performance. They appreciated the challenging problems and the opportunity to showcase their coding abilities in a competitive environment.

Conclusion

CodeMane was a successful event that not only highlighted the participants' technical acumen but also demonstrated the effective organization by the CS Club. The event's strict rules and well-structured format ensured a fair and engaging competition, fostering a spirit of excellence and innovation within the student community.
